Lights fade to black on the stage as the "bee-boom" sound of an Airplane PA chimes on

Captain: Greetings passengers, and welcome to Brevard College Theatre Airlines, this is your Captain, Peter Savage. In preparation for departure, please make sure your seat is in the upright position, your tray table closed, and VERY important folks, please take a moment now to TURN OFF your cell phones. We ask that you keep them off for the entire flight.

While you're taking the time to shut your phone down, I'd like to give a big thanks to our frequent flyer club, The Friends of the Fine Arts, whose generous support helps to keep our planes fueled so that all our artists at Brevard College Airlines can soar. If you'd like more information on how you can join FOFA, please see any of our Flight Crew in the terminal after you land.

Total flight time today is right about 2 hrs, but we will touch down for a brief 10 minute intermission a little over halfway into the trip. We are expecting some turbulence... in fact a lot of turbulence during the flight, but don't you fear, we promise to get you to your destination safely and with a smile on your face.

We thank you for choosing Brevard College Theatre Airlines, and invite you to sit back and enjoy our in-flight entertainment... Boeing Boeing.
