**TALK WITH SHERIFF:**

They look for erratic movement - any movement  
    Putting stuff under the seat  
    Putting stuff in the glove compartment

They start at the back of the vehicle and try and look as far forward into car as possible for weapons.  
They tap trunk closes on the way to front to leave fingerprints in case something happens, if they find a similar car, or the actual car they can fingerprint it to identify it.

Go to passenger side of car is dangerous situation or on a busy highway

WANT: hands on steering wheel  
    Lights turned on if night.

**TIME SETTING: NIGHT**
